

In the Claims:

In accordance with 37 C.F.R. § 1.121, please substitute for claim 22 the following rewritten versions of the same claim, as amended. The changes are shown explicitly in the attached "Versions with Markings to Show Changes Made."

C1 *Supp* 22. (Amended) A orthodontic remedy comprising administering, multiple times or continuously, an amount of parathyroid hormone or of a parathyroid hormone derivative that has the same biological effect as full length parathyroid hormone, that results in an increase in tooth movement in a subject in need thereof.

REMARKS

This supplemental amendment is being submitted to merely correct minor typographical errors which were inadvertently omitted from the claim language of claim 22. The remarks set forth in the Amendment and Reply Under 37 C.F.R. 1.111 filed July 3, 2001 should be incorporated herein and support the minor corrections submitted herein.

No new matter has been added.
